

NCSFA - March Workshop

Micki Brown, March 22, 2025

Oasis Learning Center, Rancho Bernardo, CA

17170 Bernardo Center Drive, San Diego, CA 92128

Supply List:

We will be working in acrylic and water-based media on wood (preferably cradled). Three small wood boards 8x8 inches would be ideal, you may work with substrates up to 12x12 inches (however I don't recommend any larger because of time constraints).

Bring your favorite painting and drawing supplies; scissors; sketch paper; pencil; water can; paper towels; plastic cover for table; apron and gloves if you wish.

Specifics:

- Acrylic Matte Medium Gel or Liquid

- Black, White and Burnt Umber Acrylic Paint, in addition to your favorite colors.

- Paint Brushes and Water Can and Paper towels

- Sharp scissors or X-acto Knives with a Cutting Mat

- Papers; Handmade Paper and Gelli Prints, Old Magazines, Old Books, Patterned Paper, Gift Wrap, Vintage Images, etc.

*I will be providing various vintage images as well as some surprise tools and materials for the class.
