## September

## Julie Waverling Guest Artist

Julie's Statement: My work examines layers, transparent and opaque as a metaphor for what is the human condition. What is hidden is sometimes more revealing than what is seen. It is this paradox that interests me, the interplay of where we have come from and where we can be found now.

## President's Message

Hello, members,  
Welcome to a new year that's filled with many exciting activities! In the next few months, you will have the opportunity to learn about and participate in a worldwide art project; let loose with painting a late summer floral; and hone your sketching skills with a masterful urban sketcher.

Our website has the details on these events for this fall. Information on upcoming shows is posted as details are finalized.

Our membership show, "Sunny Days in San Diego" is on at the RB Presbyterian Church until October 7. You may visit during the day since the church is open. This colorful display demonstrates the many talents of our members, don't miss it!

Summer Pop Ups in July and August at the library proved to be a lot of fun with demos from members who volunteered to show special techniques.

That's the recap for a busy summer, now let's move into autumn!

President, Janet Keto

*Julie is the founder of the global art project, Lift the Sky which offers a hopeful outlook for the future and invites artists to respond to the question, "what's your message to the world?"*

For the workshop, participants will begin or even complete their contribution to the Lift the Sky global art project, answering the question, "what's your message to the world?" We will begin with an overview of the project, seeing a few examples of banners other artists have made. We will then be guided through the creation of a banner beginning with brainstorming our inspiration for ideas of what we want our message to be and then how we want to visually convey the message. We will then jump in and start creating with help available as needed. It's a fun and inspiring day!

Julie Weaverling will do a Demo at RB Library September 10th. 11:30-12, Socializing 12:00-12:30, Meeting 12:30-2:00 Demo.

North County Society of Fine Arts *presents*

### **Kat Furrow**

Abstract Painter

**Workshop:** Saturday 10/26/24, 11:30 am to 3:30 pm at Oasis, 17170 Bernardo Center Dr., RB, CA 92128. **You must pre-register and pay for the workshop.** \$40 members / \$50 non-members. Register at [NCSFA.org](http://NCSFA.org) Space is limited.

Kat's style deviates from realistic representations and focuses on conveying emotions, ideas, or impressions through bold shapes, vibrant colors, and dynamic compositions. She accomplishes this by distorting and reimagining floral forms; her abstract floral art invites viewers to explore a realm of imagination and interpret her unique and intriguing vision of nature's splendor and the line between inside and outside.

Kat will facilitate how to create abstract floral art through a variety of art supplies on paper.

**See you in September! Welcome to the Fall Season!**
